Welded Wire Fabric – standard galvanized – prices per 100' roll

Gauge	Mesh	Weight/100 sq. ft.	36"	48"	60"
16	1" X 1"	26lbs.	190.38	234.84	279.30
12.5	2" X 2"	35lbs.		279.30	336.30
10	2" X 2"	53lbs.		518.70	632.70

These are standard stock items. Prices on other sizes and gauges available on request.

Barbed Wire – 80 rod spools only (1320')

Type	Style number	Price per spool
4 point 5" x 15½ ga. Double Strand	Class 3, Hi-tensile	90.00

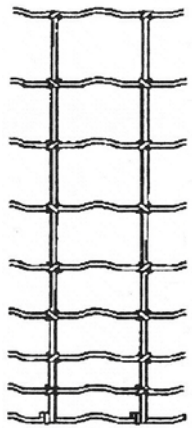

Staples – farm 1¼" galvanized

Description	Price each
Per 50 lb. box (approx. 2600 pcs.)	90.06

Farm Fence – Hi Tensile Class 3 Galvanized

Style		Weight	Roll Size	Price
8x42-12-12½	Fixed Knot	110 lbs.	20 rod (330 ft.)	254.22
8x42-12-12½	Fixed Knot	220 lbs.	40 rod (660 ft.)	510.72
9x49-12-12½	Fixed Knot	130 lbs.	20 rod (330 ft.)	288.42
9x49-12-12½	Fixed Knot	260 lbs.	40 rod (660 ft.)	575.70

The graphic image to the right shows a 9x49-12-12½ style farm fence. 9 is the number of **horizontal** line wires, 49 is the overall height in inches, 12 is the pull-out or distance, in inches, of the **vertical** stay wires and 12½ is the wire gauge. Notice that the **horizontal** line wires are spaced closer together at the bottom to prevent small animals from passing through.

A rod is equivalent to 16.5 feet or 5.0292 metres. There are 320 rods in a mile.

Merchant Wire – available in 10lb. and 50lb. coils

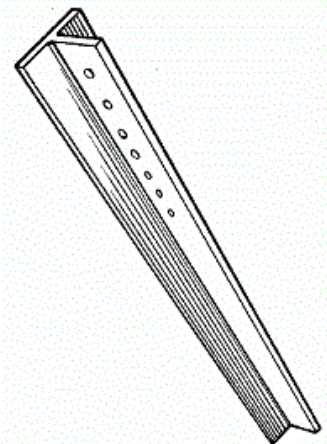

Gauge	Price per 10lb.	# ft. per 10lb. coil	Price per 50lb.	# ft. per 50lb. coil
